Dies 734 & 1/7.

I beg to state that I have in the midst of other work relating to more than one section, compiled three manuals of standing Orders — (1) Economic Conference (2) Industries and (3) Coopve Societies.

It is within the knowledge of the Secretary E & A that the work relating to the collection of these Orders, their classification, final editing and proof reading was done by me — mostly out of office hours, as the current work in the Section was then very heavy and I was the only Case Worker attached to the 3 & C and EC Sections. The Secretary was, however pleased to get me & the Cooperation and help of one of the Conference Officials, — Mr C. N. Subba Rao — at the final stage (proof reading & indexing).

I request that

a reasonable remuneration may be considered to be granted to me for this work as in the case of others.

I may be permitted to point out that one month's ~~salary~~ pay was granted to our Avantaramigayar of Branch IV for compiling the Malnad Improvement manual.

There is no financial objection to suitable remuneration being granted as proposed provided 2 conditions are satisfied :- viz that

1) work was done out of office hours & without prejudice to legitimate work

2) it was executed with all despatch as promise of some remuneration by Competent authority.

From the notes it discloses appears that ~~same~~ manual work was done during office hours in some cases - And in such cases
